

# Helping Children with Autism aged 0-6 years

## FREE Community Workshop About Autism

For other workshops available please visit our website

During the 'Yarning Session, you will learn:

- What is Autism?
- What are the signs to look for if you think a child has Autism.
- Who can help?
- How to help people with Autism.

The information session will provide you with the chance to chat with parents, Staff and the Indigenous Liaison Officers.

Children are welcome to attend.
