

The Village

B - 4 Program

Holy Rosary Catholic School

Welcome

Holy Rosary Catholic School welcomes families to our school community. At Holy Rosary we seek to create an environment that enhances learning, nurtures young people and empowers them to live the Catholic faith in the spirit of Jesus Christ by

- Developing a hunger for the learning adventure;
- Challenging each other to seek truth and justice for all;
- Capturing the joy in the mystery of the created universe;
- Embracing the diversity of the Earth and all its people;
- And walking together in a spirit of reconciliation and forgiveness

Assuming responsibility for our Birth to 4 Program is a very exciting initiative for us and fits in with our continued commitment to providing the best possible outcomes for all in our local community.

Evidence shows that when high quality support and play activities are provided to children well before they begin school, they are likely to be more successful students once they start school.

Family support is crucial to young children's successful learning and development. There, building strong relationships with families, sharing knowledge about children and enhancing consistency of support for them is vital.

As a school we believe we are well suited to focus on the needs of our own community and make connections with other groups, services and agencies in our area.
